# Millionaires Club 2019 - 2020

The Millionaires Club teaches middle and high school youth about building wealth.  
Opportunity is knocking - *answer the call!*

Millionaires Club members build special knowledge, including:

- The New **BLING** formula for building wealth
- How to earn money through performance incentives
- The connection between compounding, the Rule of 72, and investing
- The impact of education on earning power
- Why your investing should start **NOW**

## Dates & Time
